

# EMPLOYMENT OPPORTUNITY

Manager, Mining Lands  
Mineral Resources  
Department of Energy, Mines and Resources  
Competition No.: 09-MGR05-08  
Salary: \$75,705 to \$100,940 per annum

Closing Date 5:00 p.m.: March 8, 2010

The Mineral Resources Branch of the Department of Energy Mines and Resources is responsible for the development of a sustainable mining industry in the Yukon. As a member of the Mineral Resources senior management team, this position is responsible for directing, planning, co-ordinating, implementing and evaluating a number of program areas including: granting and maintenance of mineral rights, preparation of decision documents pursuant to YESAA, approval of mining land use operating plans, and preparation of quartz mining licenses.. This position is responsible for providing management leadership, coaching and mentoring to its staff, located in both Whitehorse and communities throughout the Yukon.

We are looking for a highly motivated and committed individual who has strong supervisory skills, excellent interpersonal and communication skills, and a solid understanding of the processes associated with successful program delivery. Strong leadership, team building, strategic thinking, and creative problem solving skills are essential to be successful in this key position.

If you have these skills and are interested in joining our dedicated team of professionals, please submit your resume clearly indicating the following qualifications:

- Degree in Public Administration, Political Science, Resource Management, Business Administration or a related field, supplemented with supervisory training.

Considerable progressively more senior experience in the following areas:

- Developing, delivering, and evaluating programs, strategies, policies, and services for natural resource development and management;
- Administration of resource legislation and dealing with regulatory matters;
- Building partnerships within and outside your organization, including the development of successful protocols and partnerships with First Nations, communities, non-government organizations and other government departments;
- Coaching, team building and mentoring of multidisciplinary teams
- Financial and human resource management.

Candidates who have successfully completed post-secondary education in Public Administration, Political Science, Resource Management, Business Administration or a related field, supplemented with supervisory training and combined with significant senior experience in the above demonstrated abilities, will also be considered.

**Condition(s) of Employment:** Valid Class 5 driver's license.

A one year eligibility list will be established from this competition to fill future vacancies for identical positions and may also be used for similar positions within the department.

Approved candidates will be provided reimbursement of interview/relocations expenses if required, in accordance with the Interview & Relocation Expense Directive.
